Risky Business

Best Practices for Liability Prevention in the New Normal

Before the shovel hits the dirt
(or the s#!* hits the fan)
learn what steps you can take
to strengthen your bottom line!

Topics to be covered include:

- Contract review & indemnity obligations
- Surety/Insurance update
- OSHA and safety issues
- Pre-contract design review
- And much, much more!

Proceeds donated to the J.R. Filanc Construction Engineering & Management Program
San Diego State University

401 W. A Street
San Diego, CA 92101
3rd Floor-Lunch and Program
26th Floor-Reception
